COUNTY OF SAN LUIS OBISPO

Department of general services

COUNTY GOVERNMENT CENTER • SAN LUIS OBISPO, CALIFORNIA 93408 • (805) 781-5200

DUANE P. LEIB, DIRECTOR

TO: BOARD OF SUPERVISORS
FROM:  DUANE P. LEIB, GENERAL SERVICES DIRECTOR

DATE: FEBRUARY 28, 2006

SUBJECT: REQUEST TO APPROVE A LEASE AGREEMENT BETWEEN THE COUNTY AND THE FRIENDS OF THE SAN LUIS OBISPO BOTANICAL GARDEN, A 501(C)(3) NON-PROFIT CORPORATION, TO LEASE APPROXIMATELY 150 ACRES OF COUNTY-OWNED PROPERTY AT EL CHORRO REGIONAL PARK FOR A TERM OF 99 YEARS.

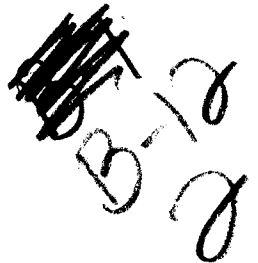

RECOMMENDATION

The Department of General Services recommends your Board approve, by a four-fifths vote, the attached Lease Agreement for a 99-year term and authorize the Chairperson of the Board to sign the document.

DISCUSSION

In 1994, the Board of Supervisors approved a Use Permit Agreement between the County and the Friends of the San Luis Obispo Botanical Garden (hereinafter referred to as "Friends") for a term of 40 years, with a mutual option to extend for an additional 40 years. The Friends is a 501(C)(3) non-profit corporation whose goal is to develop a botanical garden to educate the public in the flora of Mediterranean climates around the world and drought-tolerant plant species. The Use Permit allowed the Friends to develop approximately 150 acres of County-owned property located within El Chorro Regional Park into the San Luis Obispo Botanical Garden. Specific goals set out in the agreement were to be reached within the first ten years of the term, and all of those goals have been met.

County Parks recognizes the unique contribution of the Botanical Garden to the vitality of the area, promoting both tourism as well as education. The Friends have become an important partner to County Parks in offering recreational opportunities, since their goals are consistent with the mission of County Parks. The current Use Permit Agreement as well as the lease under consideration also require the Botanical Garden to maintain nursery stock as designated by the County to be used for County Parks projects.

2

The Friends are now pursuing substantial grant opportunities to further develop the San Luis Obispo Botanical Garden as envisioned in their Master Plan. This vision includes a stable and prominent public exhibition of five Mediterranean climate regions and facilities that will be models of sustainability. A 99-year lease agreement will help to ensure the longevity of the Botanical Gardens and will provide the opportunity for the Botanical Gardens to qualify for a broader array of funding since the investment of capital will be seen as long-term.

Government Code Section 25536 allows the County to lease, by a four-fifths vote, County-owned real property to be used for park and recreation purposes upon the terms and conditions as determined by the Board. The agreement presented today leases to the Friends of the San Luis Obispo Botanical Garden the 150-acre premises as described in the current Use Permit Agreement for a term of 99 years from the date of signing, with other terms and conditions in substantial conformity with the current agreement.

The Lease Agreement also allows the Director of General Services to sign a future amendment, if mutually agreed upon between County and Friends, to alter the boundary of the Premises to exclude the current Eagle Peak Trail and property north of it and to make an even exchange of acreage so that the northeast section of the Premises is not bisected by the trail. The revised Premises would be required to be the same acreage as the current Premises and be contiguous to the current Premises.

OTHER AGENCY INVOLVEMENT

County Counsel has reviewed and approved the form and legal content of this agreement.

FINANCIAL CONSIDERATIONS

In lieu of monetary rent, the lessee is required to develop the 150-acre property in accordance with their Master Plan. The Lessee must also provide plant materials for use by County Parks. All costs of capital improvements and utilities will be paid by Lessee. Lessee may develop a gift shop and small on-site eating facility and may allow special events such as weddings, festivals, and concerts. Although admission fees are not currently charged, admission fees may be charged in the future by the Botanical Garden. All revenues from fees, sales, and events are retained by Lessee to fund and maintain future improvements. Admission fees charged by the Botanical Garden will be in addition to Admission Fees charged by County Parks for entrance to El Chorro Regional Park.

WHEREAS, the Friends of the San Luis Obispo Botanical Garden (hereinafter referred to as "Lessee") is a 501(c)(3) non-profit corporation whose goal is to develop a botanical garden to educate the public in the flora of Mediterranean climates around the world and drought-tolerant plant species; and

WHEREAS, the location of El Chorro Regional Park on scenic Highway One with proximity to Cuesta College and Cal Poly is ideal for the promotion of recreation, tourism, and education; and

WHEREAS, the goals as stated in the Master Plan for the San Luis Obispo Botanical Garden which was presented to the County Board of Supervisors on November 16, 1999 (hereinafter referred to as "Master Plan") are consistent with the mission of County Parks; and

WHEREAS, the County, recognizing the unique contribution of the Botanical Garden to the vitality of the area, on September 20, 1994 signed a long-term Use Permit Agreement with Lessee to allow them to develop a botanical garden on approximately 150 acres of County-owned property within El Chorro Regional Park; and

WHEREAS, in lieu of monetary rent, said Use Permit Agreement required the Botanical Garden to make specific improvements to the property and to maintain nursery stock as designated by the County to be used for County Parks projects; and

WHEREAS, a stable lease agreement with a 99-year term will help to ensure the longevity of the Botanical Gardens and will provide the opportunity for the Botanical Gardens to qualify for a broader array of funding;

WHEREAS, this agreement is in the best interest of the public;

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

THIS LEASE AGREEMENT is entered into between the County of San Luis Obispo, hereinafter referred to as "County" and Friends of the San Luis Obispo Botanical Garden, a non-profit corporation, hereinafter referred to as "Lessee," and will replace and supersede all previous agreements between County and Lessee with respect to the Premises hereinafter described.

1. Premises: County hereby leases to Lessee, and Lessee hereby hires and takes from County, for the term and upon the conditions hereinafter set forth, those certain premises consisting of approximately 150 acres of unimproved property, hereinafter referred to as "Premises," and shown on Exhibit "A," attached hereto and incorporated herein by reference, located at El Chorro Regional Park, off of Highway 1 (a portion of Assessor's Parcel Number 073-221-020).

County and Lessee acknowledge that Eagle Peak Trail is a public trail that traverses the northeast section of the Premises. Lessee agrees and acknowledges that the public shall have access to the Eagle Peak Trail. County shall maintain the trail and accepts liability with regards to activities related to the trail. County shall defend, indemnify and hold harmless Lessee from any and all claims and demands, costs, expenses, judgments, or liabilities that may be asserted by any person or entity that arise out of or in connection with activities related to use or maintenance of the trail.

County and Lessee may mutually agree in writing to alter the boundary of the Premises so that the Eagle Peak Trail and property North of the trail is no longer included within the Premises. In this event, acreage shall be added to the Premises so that the acreage of the revised Premises shall be no less than the current acreage of the Premises. Lessee agrees to provide a revised legal description and drawing of the revised Premises to replace Exhibit "A" of this Lease Agreement. The Director of General Services is authorized to sign an amendment to this Lease Agreement to alter the description of the Premises, provided that the size of the Premises shall remain the same and be contiguous to the existing premises.

2. Quiet Possession: County shall place Lessee in quiet possession of the Premises on the commencement of the term hereof, and subject to Lessee performing and observing all applicable conditions and covenants, as contained in this lease agreement, County shall secure to Lessee the quiet possession of the Premises during the term hereof against all persons claiming the same.

3. Term: The term of this Lease Agreement shall be for a period of ninety-nine (99) years, unless earlier terminated pursuant to the provisions of this Lease Agreement. The term shall commence upon execution of this Lease Agreement by the San Luis Obispo County Board of Supervisors and shall terminate ninety-nine (99) years thereafter.

4. Consideration: As consideration for the use and occupancy of the Premises, Lessee shall maintain nursery stock of Mediterranean-zone plants as shall from time to time be designated by County for County Parks' use. Lessee and County shall work together in good faith to develop an appropriate list of plant species and a five-year growing plan.

In further consideration for the use and occupancy of the premises as identified in Paragraph 6 herein, the use of said premises shall be for the benefit of the public and shall serve the educational, recreational and research needs of the local residents and visitors.

5. Management: The Lessee and the County shall develop and execute a Memorandum of Understanding (MOU) that describes in greater detail the relationship of the two parties relative to the management of the facilities. The MOU will include specific arrangements for provision of plants to the County as partial fulfillment of the consideration requirements set forth above. Said MOU may be amended from time to time, upon mutual written agreement by both parties.

6. Use of Premises: The Premises shall be used for the primary purpose of establishing, managing, operating and maintaining a regional botanical garden that will emphasize the flora of Mediterranean climates around the world, and will serve the educational, recreational and research needs of local residents and out-of-town visitors and guests. Lessee shall also have the right to conduct other related non-profit activities on an occasional basis such as festivals, workshops, educational outreach programs and special events (i.e., weddings, receptions, festivals, concerts, fund raisers, etc.), which are consistent with County policy. Activities beyond those listed are subject to the prior written approval of the County General Services Director ("Director") or his designee. Such request shall be reviewed in an expeditious manner by the Director and permission not unreasonably withheld. In the event that any activity or special event causes or creates a concern for life, health, safety or compatibility with the surrounding area, County shall have the right to terminate authorization for such activity or event.

A. As the botanical garden is developed, Lessee shall have the right to conduct related, incidental non-profit activities such as a gift shop/book store, plant sales, and on-site eating facilities, as are customarily associated with the operation of a botanical garden. Said activities are contingent upon fulfilling requirements as defined in this Lease Agreement. Such on-site eating facilities shall include a kitchen for the preparation and serving of food and shall be in the nature of a small tea house, sandwich shop or café serving sandwiches, salads, snacks, soft drinks and similar items for the convenience of guests, visitors, patrons, volunteers and employees of the botanical garden.

B. No alcoholic beverages shall be sold or consumed on the Premises without the express written consent of the Director, or his designee. Alcoholic beverages may only be served by Lessee, caterers or others in conjunction with special events (i.e., weddings, receptions, festivals, concerts, fund raisers, etc.) subject to all permits required by law first being obtained by Lessee.

C. Except as contemplated in this Lease Agreement, Lessee shall not have the right to utilize the Premises as a commercial business operation or for any purpose other than as designated herein or otherwise approved by the Director, or his designee.

D. Lessee shall not grow on the Premises those plant species identified as restricted on the Planting Policy for the County of San Luis Obispo.

E. Lessee shall obtain emergency medical care for any member of the public who is in need thereof because of illness or injury occurring on the Premises.

F. Lessee understands and acknowledges that County owns and operates a water tank, water main and related water facilities that traverse on and over the premises. Lessee agrees and acknowledges that said water facilities are the property and responsibility of County and Lessee shall not disturb or conduct any activity which would interfere or interrupt with said facilities. County or its agents shall, at all times, have access to said water facilities for inspection, repair, maintenance, or other necessary activities.

7. Admission Fees: Lessee shall have the right to charge admission or other fees for access to, and use of, the Premises except that the same shall be waived for County employees and other persons, as may from time to time be determined by Lessee, entering the Premises on business with the Lessee. Day use fees charged by County for entering El Chorro Regional Park, shall be waived for such persons having business confined solely with the Lessee, but shall not

be waived for general visitors to the botanical garden. All admission fees charged by Lessee shall be retained by Lessee to offset operating and maintenance costs, or for such other purposes as may from time to time be designated by Lessee in the sole discretion of Lessee. Lessee shall provide to County on an annual basis a list of fees being charged on the premises.

8. Water Allotment: The County understands that in order to create a regional botanical garden on the Premises, a sufficient amount of water is needed. County agrees to furnish water to Lessee that is in excess to the needs of County at El Chorro Park but County cannot guarantee a specific quantity of water for the sole use of the Lessee. If the amount of water Lessee receives from the County is not adequate for the Lessee's needs to support the botanical garden, then Lessee shall have the right, at its option, to terminate this Lease Agreement upon a ninety (90) day written notice to County. The Lessee may make any other reasonable arrangements for the provision of water at its own expense.

9. Utilities: County shall not be required to furnish any service to the Premises, including but not limited to heat, water, 'electrical, natural gas and garbage disposal, and shall not be liable for any failure of water supply or of any service by any utility. Lessee shall be responsible for all costs relative to the installation and use of utility services. Lessee shall place all utilities in the name of Lessee, and Lessee agrees to promptly pay all charges for all utilities and services used or charges imposed in or about or supplied to the Premises, and shall indemnify the County against any and all liability on such account.

10. Maintenance: Lessee, at Lessee's sole cost and expense, shall maintain and keep the Premises and every structural portion thereof in a good state of repair during the term of this Lease Agreement and shall not, at any time, commit or suffer to be committed any waste, nuisance, or unlawful act thereon. County shall have the right to inspect the Premises at any reasonable time to protect the health, safety and welfare of individuals using the Premises. Lessee shall promptly repair or correct any problem identified in writing by the Director, or his designee. Should Lessee fail or neglect to make such repairs as necessary to;

- a) protect the health, safety or welfare of individuals using the Premises; and/or
- b) protect the financial value or worth or facilities and improvements on the premises

The Director, or his designee may, after thirty (30) days written notice to Lessee, make said repairs and charge Lessee for same and Lessee shall reimburse County for said costs upon demand.

11. Signs: Lessee, at its sole cost, shall have the right to place, construct and maintain a sign on the Premises, advertising its business on the Premises. However, no signage shall be placed without prior written consent of the Director or his designee. Any sign that Lessee has the right to place, construct, and maintain shall comply with all laws, and Lessee shall obtain any approval required by such laws. County makes no representation with respect to Lessee's ability to obtain such approval.

12. Construction on Premises: Any construction and/or capital improvements to be undertaken hereunder, other than those incident to the maintenance and care of the Botanical Garden premises, shall be administered as follows:

Lessee agrees to submit to the Director, for review and approval, all plans including specifications, working drawings, and other information required by the Director covering the projects to be accomplished by Lessee. Said plans shall be submitted to the Director for County approval at least thirty (30) days in advance of the initiation of any such projects. If the Director objects to all or any portion of such plans, Director shall state the objections specifically, and the Lessee shall make the changes specified and resubmit the plans as revised for the Directors approval as herein provided. No improvement or alteration shall be made to the Premises or any portion thereof without the submission to and prior written approval of the plans by the Director or 'his designee. B. Lessee shall install or otherwise provide for parking facilities and construct a roadway to such facilities to provide adequate parking for any proposed development.

C. Lessee shall be responsible for developing and maintaining landscaping on the Premises. All utilities to the Premises shall be extended at the sole cost and expense of Lessee. Said utilities shall include, but not be limited to, water, sewer, electricity, natural gas and telephone.

E. County retains the right to make any improvements to the premises as necessary which improvements shall not be inconsistent with the Lessee's use of the premises. Nothing contained in this agreement shall be deemed or construed in any way to limit the County's authority to exercise any right or power concerning the utilization of the Premises. Lessee use of the Premises shall be subordinate to the County's use, however County shall notify Lessee of any intended use of the premises by the County and any such use shall not be inconsistent with nor interfere with Lessee's use of the premises.

13. Ownership of Improvements: Title to improvements on the Premises which have been constructed by Lessee at the commencement of this Lease Agreement shall remain in the Lessee. The ownership of all approved improvements constructed by the Lessee, if any, shall remain in Lessee until expiration of the term of this Lease Agreement .

Lessee shall defend and

indemnify the County against all liability and loss arising from such claims or from the County's exercise of the rights conferred by this paragraph; in the event the County so elects, County shall be responsible for the removal of said improvements after the termination of the expiration of the tenancy.

Relative to Lessee owned improvements, at the termination of the tenancy, County shall notify Lessee to remove any or all of the alterations, additions, or improvements made by Lessee. Lessee shall do so, at Lessee's sole cost and expense, and shall promptly repair any damage caused by such removal in a first class manner. Removal is to be completed no later than sixty (60) days from the date of said notice or at such further time as County may agree to in writing. In the event Lessee fails to remove any or all of the alterations, additions, or improvements required by County, County may remove same and charge Lessee for the cost of such removals and Lessee hereby agrees to pay any and all such costs upon demand.

Lessee agrees to comply with such provisions before commencing the performance of this Contract.

C. Additional Insureds to be Covered: The commercial general liability policies shall name "County of San Luis Obispo, its officers, employees, and agents" as additional insureds. The policy shall provide that the Lessee's insurance will operate as primary insurance and that no other insurance maintained by the County, or additional insureds will be called upon to contribute to a loss hereunder.

E. Effect of Failure or Refusal: If Lessee fails or refuses to procure or maintain the insurance required by this contract, or fails or refuses to furnish County with the certifications required by Subparagraph D. above, County shall have the right, at its option, to forthwith terminate the Agreement for cause.

Lessee is hereby informed that a possessory interest subject to property taxation may be created by this Lease Agreement and that the party to whom the possessory interest is vested (Lessee) may be subject to the payment of property taxes levied on such interest. Lessee hereby agrees to pay such taxes prior to delinquency.

21. Condemnation: If the whole of the Premises shall be taken or condemned by any competent authority under power of eminent domain for a public or a quasi-public use or purpose, then the leasehold estate hereby created shall cease and terminate as of the date actual physical possession of the Premises is taken by the condemnor. All compensation and damages awarded for such total taking shall belong to and be the sole property of County, provided, however, that Lessee shall be entitled to receive a sum attributable to the taking of damage to Lessee's equipment, fixtures, or any improvements to the Premises which Lessee would have had, but for the condemnation, the right to remove on expiration or sooner termination of this Lease. Upon termination of the Lease by a total taking all rental and other charges payable by Lessee to or on behalf of County under the provisions of this Lease shall be paid up to the date on which actual physical possession of the leased Premises shall be taken by the condemnor, and the parties hereto shall thereafter be released from all further liability in relation thereto.

In the event that there shall be partial taking of the leased Premises during the lease term under the power of eminent domain, this Lease shall terminate as to the portion of the released premises so taken on the date when actual physical possession of said portion is taken by the condemnor. At Lessee's option, this Lease shall continue in force and effect as to the remainder of the leased Premises; provided, however, that the rental payable by Lessee for the balance of the term where Lessee elects to continue this Lease shall be abated in the ratio that the square footage of the leased Premises taken bears to the total square footage of the leased Premises at the time of such taking. 22. Destruction of Premises: Should any matter or condition beyond the control of the parties hereto, such as war, public emergency, or calamity, fire, earthquake, flood, act of God, strike, or any other labor disturbance, prevent performance of this Lease in accordance with the rights and privileges granted herein, this Lease shall immediately be terminated and the County shall be under no legal obligation to the Lessee by reason of said matter or condition.

Should any aforementioned matter or condition create eligibility for Federal, State, or any other governmental jurisdictional relief assistance and/or aid, both parties agree to take all

reasonable steps necessary to procure such assistance and/or aid, in their respective capacities at the time of such application.

23. Law: This Lease Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Lease Agreement shall be determined and governed by the laws of the State of California.

If any future laws, rules, regulations or ordinances are passed by the County and said legislative enactment has any impact fiscal or otherwise on Lessee, and if Lessee does not make a timely objection to County during the course of legislative process, Lessee will be deemed to have waived any right to object at a later time and waives all damages flowing therefrom.

25. Venue: The duties and obligations of the parties created hereunder are performable in San Luis Obispo County, and such County shall be the venue for any action or proceeding that may be brought or arise out of or in connection with or by reason of this Lease.

26. Surrender: Lessee hereby acknowledges that upon expiration of the term of this Lease Agreement, County shall not be under any obligation to operate the botanical garden or provide any of the services mentioned in this Lease Agreement.

If any employee of Lessee is found to be under the influence of or in possession of any illegal substance at or on County's premises, that employee may not return to any of County's premises. If Lessee becomes aware that any of Lessee's employees, during the course of their employ with Lessee, are convicted or plead nolo contendere to a criminal substance abuse statute, Lessee shall be responsible for notifying the Director within seventy-two (72) hours of becoming aware of said conviction or plea. Violation of this notification provision shall constitute grounds for termination of this Contract.

Lessee, as required bylaw, hereby agrees and is required to install any and all equipment, perform any and all alterations, improvements or modifications to the Premises such that the Premises are in strict compliance with ADA requirements.

31. Holding Over: In the event that Lessee shall hold over after expiration of the term of this Lease Agreement or any extension or renewal thereof, with the consent, express or implied, of County, such holding over shall be deemed merely a tenancy from month-to-month on the terms, covenants, and conditions, so far as applicable, and subject to the same exceptions and reservations, as herein contained, until such tenancy is terminated in a manner prescribed by law.

Any waiver by County of any failure by Lessee to comply with the terms and conditions of this Lease shall not be construed to be a waiver by County of any similar or other failure by Lessee to comply with any other term or condition hereof.
